

“I get it”

“Magically, my **Eastwood Guitars** remind me of just how I felt standing outside a music shop back in the early ‘60’s, and confirms just why **I fell in love with electric guitars** in the first place.”

Bill Nelson and his Saturn 63

“Just give me great tone, quality build, playability and I'm good to go. This guitar truly delivers. 10/10”

Robert C (about his H44 on Harmony-Central.com)

“If I had this guitar lost or stolen I would cry my heart out and then go buy another one.”

Steve W (about his Airline DLX on Harmony-Central.com)

“Look at the craftsmanship! Unbelievable! 12 strings too, I can't wait.”

Bubbles from Trailer Park Boys (about his Classic 12 on YouTube.com)

“a guitar not shackled by conventions... an Eastwood Guitar, a guitar for nonconformists.”

Andy Gill from Gang of Four (about his Airline 3P DLX)
